1,000 MEMBERS STRONG...AND GROWING

N&WHS Membership is your ticket to the exciting history of the Norfolk & Western and Virginian railroads, and anyone can join. The Norfolk & Western Historical Society is a group of people dedicated to appreciating, preserving, and promoting the history of the N&W and VGN. N&WHS members teach and share knowledge with each other in fun, relaxed settings and everyone, from beginner to expert, is welcome.

What is the N&WHS?

N&WHS is a non-profit, international organization of 1,000 history enthusiasts—individuals who worked for railroads, modelers, educators, writers, rail fans—who enjoy learning about the N&W/Virginian. N&WHS is known and respected throughout the railroad history community.

N&WHS Members enjoy broadening their knowledge of the N&W/Virginian through oral history, searching the archives, and the discovery of what really happened in the development of the two railways. Our members write articles for our quarterly historical magazine, *The Arrow*, present clinics at our conventions, and contribute their knowledge to our many electronic mailing list discussions.

As a Society member, you will receive our nationally

Members have independent access to the N&WHS Archives in Roanoke, Virginia, where we actively work to preserve the past for the next generation of railroad historians. Documents from the Archives played a critical role in the restoration of the Class J, No. 611 in 2015.

Over 210,000 items have been indexed—about a third of our holdings—we are achieving our goal of preserving N&W and Virginian Railway historical records, data, drawings, and other materials that would otherwise be lost forever.

Our publications are based on or supplemented with information from our Archives. Volunteers are welcome to join on Archives work-sessions. Your membership will help us continue our success!

One of the prime benefits of membership in the Norfolk & Western Historical Society is our quarterly magazine, *The Arrow*, which takes its name from N&W's famous passenger train, *The Powhatan Arrow*.

Each 32 page (and usually more!) issue is packed full of historical material, wonderful stories from the past, and drawings, all complemented with lots of photos.

N&WHS Membership Benefits

recognized quarterly publication, *The Arrow*, filled with historical data, stories and photographs about the history of the N&W and Virginian (and also how to model the railroads).

N&WHS Membership is your ticket to discounts at the N&WHS Commissary*—a treasure trove of material produced exclusively by and for the N&WHS, as well as many items from other sources. The Society is actively engaged in publishing original works about the N&W and Virginian.

Our Website is chock full of photographs, drawings and documents on our two favorite railroads. Our search engine provides data for over 225,000 items in our collection. Join our history and modeling discussion lists and read our electronic newsletter. www.nwhs.org. In the near future, members will be able to access some exclusive archival material through a member log-in on the web.

Members have an opportunity to attend the annual

*Please note, not every item is discounted, discounts will be determined prior to order processing. Archival material orders are not discounted as those funds go directly back to keeping the Archives running.

N&WHS National Convention—two-and-a-half days of education and fellowship in or near an N&W/Virginian on-line city. You can be part of this exciting tradition that has drawn friends together for more than 30 years!

There are seminars on all aspects of the railroad—history, locomotives, rolling stock, structures, modeling—as well as modeling and photography contests. Meet fellow enthusiasts and, when opportunities permit, tour railroad-related sites and structures. This annual summer event brings experts and novices together to learn about what made these railroads great! Our convention is a time to make new friends and renew old acquaintances.
